

THE CLUB

AT THE CLAREMONT

TENNIS

New!

Beginning January we will begin inter-club ladder play! Ladder play is a program where players compete against others in their group to improve their ranking. It is a great way to meet other club members, play more tennis, and have a lot of fun!

We will offer three ladders, Men's, Women's, and juniors. Ladders will be held quarterly with prize draws at the end of each quarter. All participants will be entered into the draw and will have an opportunity to win prize! There is a \$15 fee per quarter to participate in the ladder.

If you are interested in participating in the ladder or would like more information please contact Schuyler Hayden, Tennis Coordinator at Schuyler.Hayden@Fairmont.com.
